Code of Conduct for interacting with children and young people

Queensland Academy of Sport (QAS) employees and contractors hold a special position of trust arising out of the unique nature of their work in developing athletes to achieve their sporting aspirations. To ensure athletes are kept safe and protected at all times, it is imperative that all QAS employees and contractors strive to establish, build and maintain positive relationships with athletes, particularly children and young people, by abiding by the practices and procedures contained in the QAS Child Protection Policy and Procedure.
